EXPERIENCES & PROJECTS

Karate-Do Instructor

Dingalan Karate-do Kai Assoc. (Jan 2018 - Present)

- Teaching students about discipline and focus.
- Maintaining good communication for each member.

Lako Website

Tools used: MySQL, Express.js, React and Node.js

- Designed the front end for this project.
- Optimized the design and responsiveness, especially for the small screen.

Project Guess Number

Tools used: HTML/ CSS, Bootstrap, Vanilla JS

- This game is based on my childhood favorite game when the player can guess the missing number 3 times.
- I created the features of this game with simple logic. My goal in this project is to simplify the game instead of using pen and paper.
